Full Liability release

Mandatory release form must be read and acknowledged by all passengers prior to boarding vessel for any activity. This form discloses the terms, conditions and potential hazards that may occur while boating and is binding on this trip. For valuable considerations and the receipt of which is hereby accepted, I certify, acknowledge and agree to the following: I confirm that I am, under the command and supervision of a certified USCG Captain, that I have contracted for a offshore/near shore fishing trip and/or site-seeing tour and that I thoroughly understand the hazards and conditions that may exist with these types of excursions, including but not limited to certain hazards or accidents occurring while fishing, swimming and while onboard and/or underway during boat travel to and from fishing or site seeing venues. I confirm that I have read and fully understand the following hazards include, but are not limited to:

1. Injury caused by slipping/falling during boarding/un-boarding and during my entire time while on-board the vessel whether underway or at port.
2. I understand injury can occur by uncontrollable conditions while vessel is underway, which include but not limited to: striking of known and unknown objects in the water, being struck by other vessels and erratic changes in weather/sea conditions.
3. I acknowledge sea life can be dangerous and/or even deadly and understand severe injury can and may occur while landing/boarding any sea life, handling and being in close proximity of sea life and other perils of the sea, such as natural hazards including, but not limited to lightning storms and other adverse weather conditions.
4. I acknowledge injury can occur while using hooks, lures, knives, gaffs and other tackle/tools while fishing in confined quarters of a vessel. I will take all precautions necessary to protect myself and others while on board this vessel.
5. I understand most boating deaths are caused by drowning and I take full responsibility for myself and/or minor child under my supervision. I understand and acknowledge this vessel is equipped with coast guard approved life vests and I have been instructed on the proper use and location of vests and I will take measures necessary to use these safety devices, if necessary.
6. I confirm that I am aware of and assume all risks associated with participating on a fishing/site seeing venture and understand safety is of utmost importance on any vessel and make every effort to ensure my safety as well as the safety of others while on this or any future trip aboard this vessel.
7. I affirm: that I am in good mental and physical fitness for boating, and that I am not under the influence of alcohol, nor am I under the influence of any drugs that are contradictory to boating. If I am taking medication, I affirm that I have seen a physician and have approval to participate in a boating activity while under the influence of the medication/drugs.
8. Our offshore fishing trips can and are often strenuous due to uncertainty of the weather and abrupt changes that can take place, these trips are not recommended for children under the age of 12, pregnant women, the elderly, people with chronic back or neck problems or previous back or neck surgery or those with heart conditions. This is a robust sometimes jarring ride, depending on the weather and ocean conditions.
